Funding Timeline: July 1, 2019-December 31, 2021

Strong Workforce Program Description

The Strong Workforce Program seeks for community colleges to offer “more and better CTE” and its metrics account for college CTE FTES, student certificate and degree completions and transfer where appropriate, job placements and wage growth. The SWP should align with other statewide community college guidance and initiatives such as Vision for Success, Student Centered Funding Formula, Adult Education Program, Guided Pathways and align with the Workforce Development Boards.

Scope of Work

Investments will be made to achieve the objectives of the Strong Workforce Program, SWP metrics and align with the Regional SWP and local and/or regional economies and priorities.

Reporting

SWP funding is project based with project submissions and reporting into the NOVA system as required by the Chancellor’s Office. Each college district is responsible to keep all backup detail associated with spending and to respond to SWP audit requests from the Chancellor’s Office.
