About the Trainers:

Equity Praxis Group (EPG), LLC is a consulting practice based in Santa Barbara, CA. EPG puts cutting edge diversity, equity, inclusion and justice (DEIJ) theory into practice in order to transform organizations, communities, and, ultimately, our world. Equity Praxis Group, LLC offers diversity, equity, inclusion, and justice (DEIJ) training, coaching, strategic planning and organizational development services to help organizations become more diverse, equitable, inclusive and just. Jarrod Schwartz is the Founder and Principal Consultant of Equity Praxis Group, LLC.

Bridging Voices-Uniendo Voces, LLC provides consulting services on equity, diversity and inclusion with an expertise in language justice. The language justice praxis includes quality interpretation and translation services between English and Spanish in addition to interpreter training for multilingual individuals and customized coaching, consulting, and organizational assessment on language access best practices, language access guidelines and more. With over 10 years of experience in the field, Bridging Voices-Uniendo Voces uses an educational, research-based approach with a lens of equity to create inclusive, multilingual spaces where all voices are valued.

Dr. Carmel Saad founded Carmel Saad Consulting in 2015, and through this private consulting firm, she and her team have helped organizations across a wide variety of sectors address racial disparities in outcomes in their fields. Her team facilitates sessions to help leaders and organizations better support underrepresented community members and mitigate the impact of bias in constructive ways. She works to understand organizations' specific needs before training them on how to address these needs in an evidence-based way.
