2. Update on Regional Collaboration and Coordination Grant

- December 7, 2021 Follow-on meeting with the Chancellor’s Office (CO) to discuss specific feedback on our regional grant application.
- Robert Cabral, CTE Dean at Moorpark College: It was at the All Applicants Meeting that the Chancellor’s Office provided a litany of what was not done across the state.
- SCCRC specific: *Outcomes focus, data, structures overly complex, address COEs outcomes, problem statement not clear, impact of WBL, staffing models didn’t make sense, more evidence was needed.*
- CO will meet to refine elements of expectations in December 2021 and meet with the region.
- SCCRC is conditionally approved for 1 year with April 15, 2022 due date for revised application
- Harriet Happel, CTE Dean at College of the Canyons: RFA ask and what was submitted was not aligned, CO wants Economic and Workforce Development funding more comprehensive in the regional engagement plan; Regional CEOs wanted funding localized to support each college in region.

- Holly Chavez, Regional Director Employer Engagement, Allan Hancock College: Presentation was statewide; unclear of specifics for the region regarding Work Based Learning, job placement, short term trainings. Additional feedback is expected in December.
