RE: 2022 Monitor Assignments

Greetings Colleagues and Happy New Year!

As we begin the 2022 year, we would like to inform the system that the Chancellor's Office is continuing monitoring assignments by regional portfolios. These portfolios are cross-programmatic and the assigned monitor will cover all Workforce and Economic Development Division (WEDD) programs in service of that region (Strong Workforce Program, Perkins, Apprenticeship, Nursing, and Economic and Workforce Development).

To more equitably distribute the monitoring load, we are utilizing the 10 regions structure. We encourage you to continue using the NOVA Help Desk to submit requests if you forget who your assigned monitor is. The system will automatically route your request to the appropriate monitor. We also encourage you to share any staffing changes within your region with the appropriate monitor. We thank you in advance for your cooperation.

Below are the monitor assignments and contact information. A list of the colleges assigned to each region can be found on [WEDD's website](#). These monitor assignments become effective March 9, 2022.
