Katie Gilks - New Project Monitor for South Central Coast Region**

Katie announced that she is also the K12 lead for Strong Workforce. K12 SWP Round 1 is being closed out now. The Regional K14 Technical Assistance Providers (TAPs) and K12 Pathways Coordinators (PCs) will continue through the new performance period of 15 months.

Economic and Workforce Development (EWD) final reports (those that ended on Dec 31, 2021 supporting the Regional Directors) are now due and invoices should be sent to Rancho Santiago CCD to process final payments.

In the Governor's proposal, there is language asking for EWD funding to be extended for another 5 years. The Chancellor's Office already had the funds to launch the EWD portion of the new Regional Collaboration and Coordination (RCC) grant.

Community College SWP and unspent funds for Rounds 1-4. The funds do not have to be sent back to the CO. Colleges can use the funds for particular projects. Add them to NOVA projects and add verbiage about what is planned for the use.

Perkins – the Comprehensive Local Needs Assessment (CLNA) plans that need to be uploaded to NOVA. Can be uploaded at the same time the District's Perkins 1C applications are submitted.

She created a template that was sent to Robert & Harriet two weeks ago. The work group is developing narrative to explain it. It will be sent to correct stakeholders.
 - Robert reported that the intent was to meet with Drew LaFave to create opening narrative for the regional report. The meeting had to be rescheduled. Drew's contact information will be added to the email and Adele is putting it in the chat. Andrew LaFave: alafave@vcccd.edu
 - Harriet added that last time there were only 5 employers. This time there were 114. This CLNA is to document what we do as a region, but the most important thing is college local data from advisory committees.
